

<b>Job Title:</b>	Logistics Analyst
<b>Location:</b>	Jacksonville
<b>Employment Status:</b>	Full Time
<b>Reports To:</b>	Manager, Logistics Operations

## Major Roles & Responsibilities

Our vision at Kraton inspires each of us to create exceptional value for our employees, our owners and our customers. Individually, every one of us makes a **Positive Difference** with the work we do! Our renewable products and solutions make a **Positive Difference** for our customers. And together, we make our company an exceptional place to work, while making a **Positive Difference** to the world. We are always looking for people with an Entrepreneurial spirit; we want you to take ownership and collaborate across boundaries- eager to make a **Positive Difference**. Where can you make a **Positive Difference**?

Kraton recognizes the **Positive Difference** you make every day for our customers, in our jobs and to the world. In line with our Live Well philosophy, your health and well-being are our priority: enabling you to take care of yourself and those you love. To empower you to focus on the **Positive Difference** you deliver, we make a significant investment in our benefit program to ensure that our offerings are valuable to all our employees.

We are looking to hire a dynamic individual to join our Logistics department in Jacksonville, Florida. The Logistics Analyst will provide the overall management of our railcar fleet - compliance, spend, maintenance and analytics.

### Major Roles & Responsibilities:

- Leading the data analysis of shipments, freight, distribution, budget and metrics.
- Tracking, measuring, analyzing, of logistic spend
- Preparation of reports for management to include data analysis of equipment, freight, distribution, budget and metrics
- Participation statistical data preparation for contract negotiations
- Provide analytical support to team members
- Provide backup for other responsibilities within Logistics
